Davidson River Fish Hatchery www.flyfishmagazine.com/html/davidson_river.html
www.sefly.com/davidson.htm

The Pisgah Forest Fish Hatchery is open to the public and well worth the time to stroll through the hatchery area. Feeding time is a must if you have any young anglers in your group. In the wildlife center they have regularly scheduled presentations of interest to the angler and outdoorsman.

Sliding Rock

www.ncwaterfalls.com/sliding_rockr.htm

Sliding Rock is a recreation area set up by the US Forest Service. It's a 60' natural rock slide with a 6-7 foot deep pool at the base. Lifeguards and staff are on duty from appr. Memorial Day week end to Labor Day.

Please Remember. This is summer weather. Layering will be important as it may be cold at night and warm in the daytime. Pack extra an extra set of clothes and shoes.
